*Exchange your vows in a fairytale traditional farm*

Have you ever thought of your destination wedding to be Crete? If for a chic wedding with rustic details, then AgrecoFarms is your place to be! Exchange your vows under the azure skies in a breath-taking landscape with olive groves and rows of grapevines, air filled with aroma of wild herbs in a traditional estate perched on a hillside overlooking the Cretan sea and preserving the delicate balance between man and nature. The farm will organize for you a special ceremony to exchange or renew your vows of eternal love. From just the happy couple to the whole family in attendance, the choice is yours! It is so simple to organize an informal ceremony, just choose the date and the details, no paperwork is needed, it's only your decision!

## *Our Wedding Offer*

The couple can relax reassured that no detail has been left to chance. The farm offers religious services, civil weddings (conducted by the Deputy Mayor of the local town) as well as informal weddings and renewal of vows options to make the choice easier. Happy couples are invited to make as many or as extravagant requests as they wish, laid-back and we'll make your experience memorable!

Choice of farm venues include village square settings, a lake and the surrounding area among the vineyards, the restaurants 'Taverna' and 'Antikristo', the private resort chapel of "St Nicholas" that can be used as a backdrop for informal weddings as well. A local priest performs the religious ceremony. Special permission is needed for the service to be performed outdoors. One of you must be Greek Orthodox and both must be baptized Christians. The ceremony is performed in Greek. Same-sex couples can tie the knot too. Christenings can be organized as well.

*Note: the cost of organizing official weddings (paperwork, permissions, ceremonies etc.) is not included.*
