There is something intrinsically romantic about the island of Cyprus. Surrounded by the glittering Mediterranean, with predominantly sunny days and starlit skies at night, Cyprus wraps its magic around couples in love, and sets the scene for a wedding sprinkled with stardust.

Cyprus is known to many as the Island of Love. Indeed, across time and space, this Mediterranean destination has an added dimension of passion.

The district of Paphos, also described as Aphrodite's playground, witnessed one of Greek mythology's greatest love stories, with Aphrodite and Adonis as its protagonists. Wherever you go, the goddess of love will accompany you. From the charming landscape to enchanting sunsets, Paphos is favoured by those who appreciate nature, history and dreamy hillside villages.

Limassol has proudly carried its tagline as the venue of a royal wedding ever since Richard the Lionheart and Berengaria of Navarre tied the knot at the medieval castle that still dominates the town centre. Today, the district is a concentrate of all things Cypriot: buzzing commercial activity on the coast, hills dotted with vineyards and wineries, and a scenic road that leads you to the green heart of Cyprus the Troodos mountains.

In the east, the Famagusta district features its very own blend of beauty. Agricultural activity quietly runs alongside the island's most colourful tourist resort, Agia Napa. Here, romance has a more contemporary and playful nature: extensive sandy beaches and entertainment hot spots are this district's trademark couple.

But wherever you are, Cyprus hospitality will instantly reassure you that, yes, this island is simply perfect for a magical wedding in the sun.
