Required Legal Paperwork

Greek Government requires a number of legal documents in order for foreigner nationals to get married in Greece. Blue Lagoon Group has gathered the information and is presenting it to you. The below information corresponds to couples that are from the UK.

Step 1:

Standard documentation required prior to the wedding:

- Photocopies of your passports. Valid 10 year British Passports (must have six months remaining to your date of return)
- Full birth certificate (both parties).
- Certificate of non impediment to marriage (both parties). Local Registrar will be able to provide you with these documents and you will need about a month for it to be issued. **Important note: It must not be issued more than 3 months before the day of your wedding.**

Additional Documents are required if:

- Divorced: Decree absolute
- Names have been changed: Deed poll
- Adopted: Adoption certificates
- Widow/widower: Late partner's death certificates.
- If under 18: a Statutory declaration of consent off a parent or guardian, signed and stamped by a solicitor

Step 2:

Before sending the above mentioned documents to Kos, they all need to be certified (all originals, not copies) by the British Legalization office (come in contact with your Ministry of Foreign Affairs) with the Hague Apostille Seal. The stamp is needed for every document mentioned earlier for the authentication of the documents.

The procedure of translating your documents through us eliminates the cost of having the translation verified at the Greek Embassy afterwards.

For the translations of the Birth Certificates as well as the Certificates of no Impediment to Marriage, the cost will be €150 (for both parties). If any additional document (Decree absolute, Deed poll etc.) required to be translated, there would be an extra charge of 50 €.
