

EXCLUSIVE YACHT WEDDINGS

Cyprus 2020-2021

The creators of luxury Weddings in Cyprus

Welcome to our 2020/2021 brochure! A lot has been happening at Exclusive Yacht Weddings lately and we are very excited to announce that we have our new yacht Ocean Blue and are expanding with our sister company Weddings in Cyprus, plus we will have another new yacht, Ocean Vision, coming soon!

Thinking of marrying in Cyprus? EYW's motto is; "Customers are our priority, privacy is our pride and luxury comes as standard". We do our very best to make sure that your day is perfect from start to finish from when you initially enquire, right down to when you hop back onto the aeroplane at the end of your Honeymoon.

Ocean Blue has had its finishing touches added to it to make it a stunning vessel! It is also classed as a mega yacht and boasts 3 main decks and a beautiful Honeymoon Suite complete with a wave Jacuzzi. Ocean Blue is licensed to hold a maximum of 150 passengers on board and the set up is a little different to that of Ocean Flyer and Sea Star. You can see further details and photos on page 3.

EYW were heavily featured on Channel 4's "Sun, Sea & Brides to be" in the winter months and this gave a lot of people insight into what goes on behind the scenes in the run up to the wedding and on the day itself. If you haven't seen it, then you can still watch it on catch up.

This led to us creating our new sister company Weddings in Paphos which is for those couples that may prefer to keep their feet on dry land but still want the same professional touch of what EYW offers. We have carefully hand-picked various locations in Paphos and are striving to find more venues to suit all couples needs. Whether it be marrying at an exquisite

private villa, an exclusive golf club or simply listening to the soothing sound of the Mediterranean sea whilst saying your vows. Our website www.weddingsinpaphos.com will be released early 2020.

We will have another new addition to the fleet in 2020, our semi-submarine Ocean Vision. This will be the largest coastal cruiser in Europe and we will be able to have weddings on board in a private area. 2020 is going to be a very exciting year! Cyprus has been chosen as the No. 1 destination for the UK market for marrying abroad and as a former British Colony, there are so many UK similarities for our ever expanding tourism. EYW have a great team of professional wedding specialists that are proud to be the award winners of the 5* customer service for 4 years running. We have a dedicated website where we list all of our yachts and venues that host weddings, as well as the "Meet the Team" page, so you can see who we all are. We understand that getting married abroad can be very daunting; you won't be able to control every detail for a start. You'll need overcome complex logistics and legalities, a new culture and climate, and figure out how to get your wedding outfits, favours and décor there as well as yourselves and your guests. EYW are pleased to take all this stress and hassle away from you and make sure that everything is in the right place at the right time on your big day. Marrying abroad could not be simpler!!

We have a large selection of packages to choose from – from all inclusive to making your own bespoke package, either with or without accommodation plus a variety of extras. We have a policy that within 72 hours (but usually within 24 hours) you will have an answer from us for any email queries.

EYW is managed by Sharron from the Midlands in the UK and she has 24 years experience in the wedding industry and has been named as the "Mum of Cyprus weddings" by many couples, as she is always there for you! Sharron understands the British tradition and culture whilst maximising the Cypriot hospitality, therefore creating your dream wedding day, the way YOU want it. Sharron is proud that EYW take care of every last detail of your wedding day, everything is catered for in house and Sharron likes to make sure that attention to detail is second to none.

Yacht weddings are the most private and unique, intimate and luxurious weddings you can experience and you can also have a same sex blessing, anniversary or renewal of vows on board. We have many former brides and grooms that have become UK representatives for EYW from Scotland down to Exeter and they relive their dream day and explain what they did on their wedding day here in Cyprus. They can visit you in the comfort of your home and discuss your needs. You will find many of them at the major wedding shows that EYW attend throughout the UK and can have a free consultation. Payments can be made into our UK bank account in Sterling in instalments, which will save you money, rather than making payments in Euros. We look forward to meeting you soon.

- ♥ Golf Clubhouses
- ♥ Vintage tavernas

We will also be expanding into Protaras (East Coast) where we will have several beautiful venues to offer from 2020. You’ll soon be able to view the website from Spring 2020 on www.weddingsinpaphos.com but in the meantime, please feel free to contact us on info@weddingsinpaphos.com for more information.

Lemba village is located in the Paphos district about 4 kilometres north of the town. It neighbours with the villages of Emba, Chlorakas and Kissonerga. The region yields citrus trees, olives, tomatoes and market-garden vegetables and banana production.

Blessings & Renewal of Vows

Blessings and Renewal of Vows ceremonies are becoming more popular for those that simply wish to show their continuing devotion to each other.

The ceremony can be conducted on board, at the Vrisi or on the beach, by our Celebrants. If you should wish to bring your own celebrant too, this is not a problem.

We can also conduct same sex blessings which is a symbolic ceremony with no legal binding. This is a beautiful way of showing your commitment to each other and we can put together the perfect package to suit your needs.

All of these ceremonies last for approximately 15 minutes and this will include a certificate of your special day for you to keep.

We will begin with an introduction and then read a short paragraph about your story, how you met, how your relationship has progressed, any children etc. Following on from this the Celebrant will say a few intimate words to you both followed by a prayer before beginning the Ceremony.

You will be asked to repeat after the Celebrant for the Vows and then the rings will be blessed. Finally the Lord's Prayer will be read out (optional) before you can finally kiss.

Anglican Weddings

At a choice of Churches or
on board our yachts

Full Christian Marriage services according to the rites of the Anglican Church can be conducted at various venues in the Paphos district of Cyprus. The main churches that the Anglican Church uses are the ancient and historic Church of Ayia Kyriaki Chrysopolitissa (the Church by St. Paul's Pillar) in Kato Paphos, the lovely, richly frescoed Chapel of St. George in Chlorakas and the stunning St Nicolas chapel in Kato Paphos. (Please note that there are extra charges for a Church ceremony which are paid directly to the Church)

Anglican marriages can also be conducted on board the licensed yachts in Paphos.

There is no need to have a civil ceremony before an Anglican marriage service, as the officiating clergy are Licensed Marriage Celebrants of the Republic of Cyprus. The Marriage Service that is used is similar to that used in the Church of England and is recognised in British law as a valid marriage.

There is a variety of music and readings allowed in the service, but it must be stressed that it is a Christian marriage service that is being offered and those seeking such a marriage should be fully appreciative of the Christian content of the service.

It is also possible to conduct a service of Blessing of a marriage, services of Thanksgiving for marriage and Renewal of Vows.

Please note that it is NOT compulsory to be Christened to marry in the Church. All charges must be paid for directly to the Church.
