Shows

The Dominican Republic is a magical and special place, unique and inimitable, that deserves to be known and experienced from all perspectives. For this reason, we have prepared an unforgettable experience:

THE DOMINICAN FIESTA*. Full of color, music, dance, activities, and above all lots and lots of joy. For if there is something that characterizes this beautiful island it is the joy of its people, their culture, their smiles, their tradition...

In the unique setting of Bahia Principe Village, an unparalleled show will take place, so that you will not only get to know the most hidden and beautiful part of this country, but also the secrets of a traditional gastronomy through a tasting that will allow your palate to travel throughout its entire territory.

* Subject to availability. Additional cost, to be paid directly at the resort.

Welcome to a journey where reality dissolves and dreams awaken. The Oneiro show opens the doors to a universe where wonder comes to life and the impossible becomes possible.

Through imagination, music, and awe, we invite you to immerse yourself in an adventure full of emotions, mysteries, and discoveries. Each act is a blank page where hearts beat strongly and illusion becomes the true driving force of the story.

Let the enchantment surround you, let emotion guide you, and get ready to cross the threshold of the extraordinary alongside Oneiro and their fascinating traveling companions.

Tonight, dreams come true... and the adventure is just beginning.*“The Oneiro dinner show is included for all Bahia Principe Explore Legend guests with stays of 4 nights or more. Prior reservation is required. Show days and times are subject to change and availability.

Conscious Tourism: The Green Footprint of Bahia Principe Hotels & Resorts

A Passion for People and Nature

At **Bahia Principe Hotels & Resorts**, respect for local environments and a deep connection to the destination's culture are at the core of our operations. Our **sustainability initiatives** include:

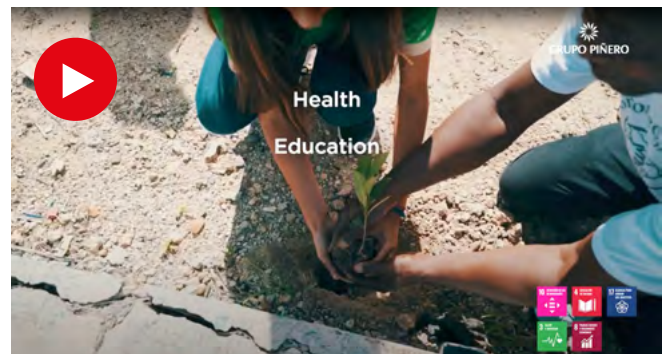

- Efficient management of natural resources.
- Biodiversity conservation.
- Progress toward decarbonization and a circular economy model.
- Promoting authentic cultural connections through architecture, design, and guest experiences that celebrate local heritage.

We are aligned with the 2030 Agenda of the United Nations and its contribution to the SDGs (Sustainable Development Goals).

Our goal of reducing carbon emissions by 60% by 2030 and achieving carbon neutrality by 2050 involves:

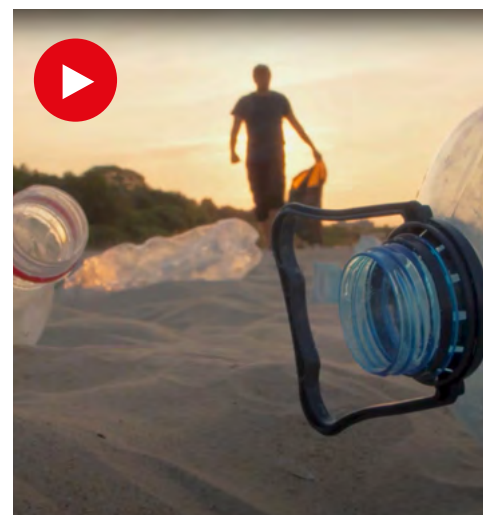

- Implementing energy efficiency and renewable energy plans.
- Installing photovoltaic panels.
- Centralized energy management systems.
- Introducing sustainable mobility options, including electric vehicle fleets.

Foundation: Conservation and Community Engagement

Founded in 1999 and operating in **Mexico** and the **Dominican Republic**, the **Eco-Bahía Foundation** drives conservation efforts through collaborations with employees, clients, and local communities. Key initiatives include:

- **Wildlife recovery and management** handling more than 1,000 cases of wildlife recovery and management.
- **Native flora promotion** producing over 2,900 protected plants.
- **Coral reef conservation.**
- **Marine resource protection** the release of more than 191,500 hatchling sea turtles
- **Environmental education programs** bringing our environmental education programs to over 5,300 people.
- **Organization of activities** focused on tourism, including eco-tours

Committed to Responsible and Sustainable Tourism

We already have been granted prestigious international seals in the area of sustainability as well as health and safety certificates

Somos Ecoistas - We are Ecocentric

Our movement, **We are ecocentric**, invites all of you to release your inner ecocentric side. We want the best for us, for our loved ones and for the planet.

We are ecocentric. Yes. We care about our environment. We want to take care of it and preserve it, because we want our clients to keep visiting us.

We hope they will continue to discover the idyllic places that surround us. We want the waters of our beaches to remain transparent, so that our families can continue to dive into them.

This movement has earned prestigious awards, such as the **Radio Intereconomía Sustainability Award** and recognition from **Empresa Social** for the best environmental conservation project in the tourism sector.
