

CIVIL MARRIAGE AT PARALIMNI MUNICIPALITY

The natural beauty of Paralimni – Protaras area seems to have been created for weddings. Civil marriages can be solemnized at Paralimni Municipality according to the Marriage Law 104(I) of 2003.

Paralimni Municipality has prepared the following document as a convenient reference guide, so that couples can be informed of all the legal requirements for organizing their civil wedding.

Civil Marriages can be solemnized between Cypriot citizens, Cypriots with foreigners and between foreigners. Civil ceremonies are performed in either Paralimni Town Hall or in authorized wedding venues.

The interested parties after their arrival in Cyprus must apply personally or with their wedding planner assisting, to the Marriage Officer of Paralimni Municipality, in order to go through certain formalities which are necessary prior to their marriage and are valid for 3 months.

The couple should be in position to present the following legal documents:

- Passports and (copies of the information pages of both parties passports)
- birth certificates (long ones)
- dated, stamped and signed (original) documents from the competent authority of their countries of origin for their <u>present</u> marital status (single, divorced, widow or widower)
 - -Please note that the marital status documents are valid for 3 months from the issue date unless they indicate otherwise.
- In case of foreigners who live permanent in Cyprus, a Non Impediment Certificate by the Registrar of Marriages (Population Department in Nicosia), is needed. Its date of issue must not be more than two months.
- original Decree Absolute in case of divorce
- death certificate of their late partner in case of widowhood
- name change documents -deed poll if any
- copies of passports of two adult witnesses (above eighteen years old)
- if either party of the intended marriage is under 18 years of age, the written consent of the father or if he is dead or incapable of consenting, of the mother or the lawful guardian of such party, must be produced to the Marriage Officer.

All documents that are not in English or Greek, must be translated into either English or Greek by authorized translators.

It must be stressed that the names we use for the wedding certificate are taken from the passports.

The actual ceremony is short and simple with duration of 10-15 minutes. Guidance given at all times by the Marriage Officer. At the end of the ceremony couples will receive their original Certificate of Marriage, signed by their two witnesses and by the Marriage Officer.
