For this purpose, newlyweds must apply for the so-called "Apostille stamp" from either the Ministry of Justice or the Ministry of Foreign Affairs in Nicosia, Cyprus. There is no need to register your marriage when you get home. After the wedding celebration, the Marriage Officer will forward a certified copy of the notice of marriage to the local Embassy or Consulate of your native country.

Note: For symbolic ceremonies, blessings, religious ceremonies or renewal of vows, the requirements vary. For more information on marriage license requirements please contact our Weddings Team at weddings@kanikahotels.com or your personal Kanika wedding coordinator.
