

Liospectro
LIFE EVENTS

Feel The Real Cypriot Charm

Situated in the village of Kouklia Just 15 minutes from the vibrant town of Paphos, sits the ultimate rustic wedding venue, made completely from stone and wood, the Liopetro Venue. With stunning views of the Mediterranean Sea, the venue is surrounded by beautiful gardens and set on archaeological grounds that are infused in history.

Based on the renovation of two old farm buildings dating back to the 16th Century, meticulous work has been carried out to ensure that the venues additions have been done so using only traditional building materials and techniques.

Completely private and away from any inquisitive eyes, Liopetro offers a bespoke exclusivity for your Wedding day within the gated stone walls in the Cyprus countryside. If you're looking for a rustic touch of Cyprus matched with some of the best menus from the finest local ingredients and a Wedding day that will be planned to perfection, then look no further.

Stand under their breathtakingly white draped gazebo with its azure backdrop of the coast for your vows for your civil wedding ceremony at this venue. Alternatively, across from the venue, you will discover Panagia Odigitria, an ancient church from the 12th century where your Orthodox or Anglican Wedding are welcome to be held.

Whilst there is no accommodation available at this venue, your Bridal preparations are welcomed in the onsite Liopetro Bridal Suite where you can not only catch glimpses of your wedding coming together but also begin the walk to your aisle too.

"We have our evening reception here in June, and we had the time of our lives. From the start, the communication with Makis and Ifigenia was brilliant. They both just want to make your day as amazing as possible. The venue speaks for itself, and when you visit you will see why. The grounds are just stunning, and once you see this venue you will not want to go anywhere else!

Makis and Ifigenia will do everything to ensure your day is one to remember. We opted for the set menu for our guests, And it was gorgeous. Thank you both for looking after us and our guests, everyone is still talking about Liopetro" - Heather

"Our wedding day was just perfect. I'm not even sure I have the words to explain how perfect it was! Makis and Ifigenia were amazing the whole way through and always replied promptly to my emails. We chose this venue wanting something different from the usual quick in and out hotels and The Liopetro didn't fail to deliver! The photos are stunning but wow, when you step into the venue it's completely out of this world. The views are breathtaking. I feel like Makis and Ifigenia are now friends! They couldn't do enough to help us and I am so grateful for everything! If I did it all over again, I wouldn't change a single thing, and I think that speaks volumes!" - Kristie
