CLIENT REVIEWS

We had our wedding ceremony and reception at L'Chateau in July this year, it was amazing. The whole team were outstanding. Katie is an absolute inspiration, her dedication to ensuring the bride and groom have the best day ever is incredible, she will do anything and everything to make this a reality. The venue is stunning, the planning is first class and the food was spectacular. As part of the planning the team made recommendations for photographers, hair stylists, make up artists, cake supplier and DJ plus many more. Everyone of these recommendations was perfect.

After having viewed several other venues the decision was easy once we were shown around L'Chateau by Nikki and it proved the correct choice. If you are thinking of getting married overseas make sure you look at L'Chateau, it does not disappoint.

JULY 2024

We got married at L'Chateau three weeks ago, and it was the perfect day. The venue is incredibly beautiful. Our wedding planner Kate was sensational, ensuring every detail was taken care of, making our special day truly unforgettable. Her energy was infectious and she calmed my nerves so much. The staff were professional and attentive from the Bar to the Food. I would recommend L'Chateau to everyone who is looking for a rustic but enchanting day!
