Emba, Paphos, Cyprus

Welcome to Oasis Gardens!

Set in the peaceful surroundings of Emba, Paphos, and just two minutes from the crystal-blue Mediterranean Sea, Oasis Gardens is a wedding venue where nature, elegance, and experience come together in perfect harmony.

Thoughtfully designed with a balance of modern sophistication and classic charm, the gardens are framed by mature olive trees, set upon a beautiful lawn with ambient lighting. As dusk falls, subtle illumination provides an indulgent and atmospheric feel that is quite enchanting. Rustic tables add to authenticity alongside lush greenery, natural rock walls, and a striking water feature that bring movement, tranquillity, and romance to the space.

As the sun sets, the venue comes alive with beautifully curated lighting, casting reflections across the water feature and creating an unforgettable atmosphere that transitions seamlessly from day to night.

With over 30 years of wedding expertise, the Masouras family have poured their knowledge and passion into creating a venue that understands what truly matters on a wedding day — seamless flow, stunning backdrops, and meaningful moments.

“An Oasis of love, surrounded by nature, a hidden garden where forever begins.”

A lifetime of love starts here
