Notes:

- Fotostory is a custom-made book album 45x30 cm when open, with 13 spreads and the 60 photos featuring a special design including leatherette cover with photo.
- Video is in high definition format, edited with you favorite music and will be delivered via a link to download in about a week after the wedding.
- For the albums to be delivered before departure we need 3 working days.
- You can ask not having an album and have the same amount of photos in digital format with no extra cost.
- On all packages you have a free online gallery next day of the wedding to view and order.
- All prices with VAT at 19%
