### Notes:

#### Delivery & Backup

Standard delivery: after a month (approx. 4-5 weeks). Files stored 1 year by default.

#### Livestream

Ceremony Livestream: live broadcast for friends/family at home + next-day recording for the couple. Livestream requires video coverage – it can't replace video.

#### Video OR Social Creator

Any video coverage can be delivered either as a traditional cinematic film OR by a dedicated social media content creator. The creator films vertical "Reels / TikTok / Stories style" on high-end phone gear and delivers many short clips instead of one long movie.

#### Reception Coverage

Reception / party content (photo + video) depends on what actually happens: Greek dancers, fireworks, first dance, speeches, cake cutting, etc. More activity = more deliverables.
