A private celebration overlooking the Cretan Sea

HERSONISSOS | CRETE

Our story

Riza Estate began with a simple idea: to create a private outdoor setting where couples could celebrate in one place, surrounded by olive trees and panoramic sea views.

Set on a hillside near Hersonissos, the family-owned estate brings together an upper ceremony lawn and a lower dining and party area. Every wedding is personally hosted, with the freedom to shape the day around each couple.
