

## THE MENU FOR YOUR WEDDING DAY

You can set your own menu from our suggestions for each package for weddings; and if you wish, our expert chefs can offer you their advice to success on your wedding day.

We also arrange menus for guests with special dietary needs required. For the little ones, we can offer a 3 course children's menu, at half the price of the chosen package. With our wedding packages there will be no surprises, because they are very comprehensive.

Along with the packages offered, we include the exclusive design and printing of the menu stationary; seating plan; sitting of your guests; and all the stationary needed to point out all venue areas involved; table centrepieces with natural seasonal flowers; white tablecloths; chairs with white covers and sashes in gold, red, crystal gauze in pink, crystal gauze in green; fuchsia with a lighter pattern and turquoise with lighter pattern; under plates (red, silver or gold colour) and sound equipment for background music during cocktail and dinner with a sound technician.
