FLOWER LOUNGE

As we aim for your event to be unique, based on your personal style and needs, it wouldn't be possible to offer a specific "price list". Yet, this brochure should help you get an idea of our core services and their rough costs. It's almost impossible to include everything we offer, so please feel free to ask for anything not included regarding flowers and décor.

Love,
The Enchanted Team

Notes

Some extra helpful info!

- We always finish our tables with candles in votives/candlesticks/containers to match the general style and these are included in the centerpieces' costs
- If time between ceremony and dinner allows most of the ceremony florals can be reused. For example, the garland from an arch can become a beautiful floral runner on a top table and the pedestal arrangements can be used as entrance décor! Or vice versa... a guest table centerpiece can serve as ceremony table arrangement!
- We always use top quality imported flowers to ensure they will last and stay beautiful the whole day!
- If you have an overall budget for decor please let us know it, along with your ideas and requirements. It helps us making the right suggestions on flowers and sizes and saves you time! If not, no worries! We can quote based on the style you like and your requirements!
