VENUES

BAREFOOT ON THE BEACH

Imagine a petal-lined aisle with polished conch shells leading up to a romantically decorated archway overlooking the azure blue sea. Feel your bare feet in the soft white sand as you gaze into one another's eyes and become a "Mr. and Mrs."

GAZEBO BY THE SEA

In a beautifully decorated gazebo, with the Caribbean Sea as a backdrop, you have nothing short of a picture-perfect setting for your very special day.

Listen to the gentle lapping of the waves on the rock wall and feel the comfortable sea breezes as you say your "I dos".

HILLTOP GARDEN

Nestled on the hillside amid the resort's white Mediterranean-style villas, our hilltop garden is an even more secluded venue for an intimate wedding ceremony. Enjoy a stunning view over the Caribbean Sea amid a lush backdrop of tropical blooms. Watch the sea meet the horizon as you make your vows to each other.

“ DREAM WEDDING AND VACATION! ”

My husband and I decided to have a destination wedding with 35 of our closest friends and family at Windjammer Landing. It turned out better than we ever could have even imagined. I was skeptical to plan a wedding from hundreds of miles away but from the very beginning, Melanie Reynold (wedding specialist), made everything easy, straightforward, and hassle free. You really are able to be as specific and involved as you do or do not want to be.

On our wedding day Melanie made sure everything ran smoothly. The whole resort seemed to come together as a big team to make everything happen, from the spa to the food service and shuttles. They turn the beach bar Embers into an recognizably beautiful and elegant reception venue. The DJ and food were excellent. Photographer had the personality and talent we needed. We really felt special on our big day!

I would have my wedding here again 10 times over, and cannot wait to return for future anniversary vacations! Our entire family agrees! We really cannot put into words how awesome our trip was!

THE PERFECT LOCATION FOR A VOW RENEWAL!

My husband and I had the most wonderful one week vacation with our friends as we renewed our wedding vows. The staff was attentive and the wedding specialists Melanie and Simone granted our every wish. We chose the gazebo by the sea for our ceremony and could not have imagined a more perfect location. During the week we enjoyed deep sea fishing, snorkeling, sailing, the zip-line tour, shopping in Castries, dining at the resort (Papa Don's was wonderful), and spa treatments. There are so many activities to partake in! We even found some time to read books and relax. Hopefully, a return trip is in our future.

WEDDING OF THE YEAR!

We thoroughly enjoyed our wedding; Lynn looked after us from start to finish. The planning stage was easy, informative, reliable and friendly. We met Lynn a couple of days into the holiday with the lawyer and went over final details. Lynn organised spa treatments, restaurant booking, flowers, transportation to name a few - I literally had nothing to do! Brilliant! The service was lovely in the gazebo, the photographer was brilliant - we had a rainy wedding - he made the photos look amazing, catching raindrops in the light - amazing! Highly recommend!

Andrea, London, England

*This surcharge is separate from the cost of your meal. However, the meal is included if you are on the Premium All-Inclusive Experience!
