2 DAYS OF MEMORIES

This package is a very special offer for couples who want to live a unique experience and create a fantastic set of memories together. Our photographer will be there with you for two entire days of photoshooting!

Wherever you go in the villa or around the island (at the beach, by the pool, strolling in the towns, enjoying dinner just the two of you or with your family & friends), our photographer will discretely be by your side to capture every moment.

Apart from your wedding day, this package also covers the day before or after the wedding. 2 entire days of photoshooting, 2 entire days of memories!

Note: Our packages include all photos in high res jpg format

The couple receives the photographs with e-transfer or in USB

The best case scenario is that the couple receives the photos before they leave the Villas, in USB. However, if the photographer needs more time to deliver the photos, then the couple shall receive them via e-transfer in few weeks after they have left the island.
